TO ALL EMPLOYERS

ANNOUNCEMENT ON THE EXTENTION OF N1, N2 AND N3 COURSES

It is with great pleasure to inform you that the difficulties our industry has experienced with the training of apprentices as well as providing for the registration requirements of installation electricians is about over.

On 17th May 2010, the minister of Higher Education and Training released the government gazettes informing about the extension of the N1- N3 courses.

Implementation of these courses is effective as of the 1st of January 2010 and has been opened to all the FET colleges. Employers are encouraged to contact the FET colleges in their Provinces regarding the classes for 2011.

To assist you find the colleges within your vicinity, the list of all colleges in each province are posted on our ECA website.

Copies of the gazettes are also posted on the ECA website to provide you with the full details and conditions on implementation of these courses.
