

HIGHVELD NEWS

As you are probably aware, Amendment 6 to SANS 10142-1 has been published and is available from the office. Take note that a number of changes has also been incorporated on the Certificate of Compliance. Please ensure that you collect a copy and update your book. These copies are available at the ECB office.

Kontak Annalien vir jou afskrif van die nuwe wysigings. Onthou!!! Moet nie die ou bladsye weggooi nie. Hou dit in jou boek as verwysings materiaal.

We are fast approaching the end of another year and members must remember that shortly they will have to pay leave pay and leave bonus. Please ensure that you have sufficient funds available to pay these. If you need assistance in calculating leave pay and leave bonus please contact myself for assistance.

Dit is ook nou die tyd om te beplan vir volgende jaar. Werk oor die algemeen word al skaarser en gaan nog skaarser word. Maak seker jy as Elektriese Kontrakteur het genoegsame werk om mee te begin in die nuwe jaar.

I would again like to encourage all members to please pay their membership fees. The ECA (SA) can only render services if we have sufficient funds available.

Remember/Onthou!!!

Die Nasionale Uitvoerende Komitee vergadering vind plaas op 20 en 21 November 2008. Die middag van 21 November 2008 word opsy gesit vir die Jaarlikse Algemene Vergadering. Dit is tydens die geleentheid wat die nuwe ampsdraers vir die volgende jaar verkies word.

Although the National Executive Committee meeting is for delegates only, the Annual General Meeting is open to all members. If you intend being present at the AGM please inform Rucille at the National Office.

HIGHVELD GREETINGS

Louis Pretorius.
