

October 01, 2007

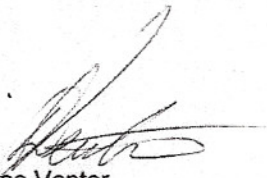

All Sales Managers  
Aberdare Cables

Dear Sir/Madam

Please be advised that all White and Black Surfex Cable, manufactured after September 30, 2007, has been specially formulated to be UV stable for a minimum of 10 years. It should be noted that this excludes Flat Twin and Earth products.

Should you have any queries, please do not hesitate to contact Wayne Munilal on (011) 406 1048.

Yours sincerely

Denise Venter  
Compound Technologist  
Technology Development Department

Wayne Munilal  
Technical Manager  
Gauteng Business Unit
