

## HIGHVELD NEWS

Firstly I would like to thank every member that attended our first round of meetings during February and March this year. Having said that remember the following meeting dates:

Vaal Triangle 7 July 2009

Wits 15 July 2009

Highveld 21 July 2009

North West 28 July 2009

At this meeting we will have the representative from ABB doing a presentation on home automation.

Aan al ons borge wil ek net weereens sê baie dankie vir hulle ondersteuning gedurende die afgelope ronde vergaderings. Daar was gemiddeld 13 borge op elke vergadering. Sonder hulle insette en borgskappe sal ons nie sulke suksesvolle vergaderings kan hou nie.

Please take note that the new wage deduction schedules are available from the National Bargaining Council or from the ECA (SA) Regional Office. These were to have been implemented from 23 March 2009.

Lastly, after many years of meeting, negotiating and arm wrestling the new Electrical Installation Regulations were finally published on 06 March 2009. We were fortunate that we could start handing them out at the North West meeting. Please contact the Regional Office for a copy of these Regulations.

Neem ook kennis dat hierdie nuwe regulasies op 01 Mei 2009 inwerking tree. Ons hoop om oor die volgende paar maande werksinkels in al die takke te hou. Vir nou, as daar enige probleme is praat met my by die Streeks Kantoor.

Groete vir nou en hoop om julle gou weer te kan bedien.

Louis.
